**Narratives****Original Narrative****07/20/2018 16:39:16**

On July 20, 2018 at 0541 hours I (Ofc Ames) was dispatched to a CPR in progress call at Cascade Behavioral located at 12844 Military Rd S #407-1. The caller [REDACTED] (employee) advised that CPR was being done unassisted on an unconscious patient there.

I responded in a priority response from the Tukwila Police Dept, I arrived at 0545 hours. Tukwila Fire arrived at the same time I did. We went to room 407-1 and found employees doing CPR/Chest Compressions on a white female. She was identified as [REDACTED]. Employee [REDACTED] said she last saw [REDACTED] at 0500 hours when she got up to use the restroom. [REDACTED] found [REDACTED] at approximately 0535 hours and found her unconscious and without a pulse. Employees began CPR and called 911.

Tukwila Fire and King County Medics continued CPR along with administering an IV and using medication to try to revive her. The attempts were unsuccessful and King County Medics pronounced [REDACTED] deceased at 0616 hours. At no point from the time [REDACTED] was found unconscious until she was pronounced deceased did she begin breathing or have a heartbeat at all.

[REDACTED] was transferred to Cascade Behavioral from St. Peters Hospital in Olympia on June 27, 2018. Her primary care physician was listed as [REDACTED] M.D. [REDACTED] was diagnosed with Acute psychosis, Hashimoto thyroiditis, Hypertension, Diabetes Type 2, Blindness in left eye, Poliomyelitis, Degenerative Arthritis, and UTI.

I contacted the King County Medical Examiners Office at 0641 hours. I was later issued an NJA# of [REDACTED]. [REDACTED]'s family will be notified by Cascade Behavioral staff.

Acting Sgt. Gardner was advised and he notified the CDO and MCU of the death. There was nothing in the room or on the deceased that appeared suspicious. Case number issued. Photographs taken.
